

WINE ENTHUSIAST

93 **Frog's Leap 2000 Rutherford** This blend of the two Cabernets is fantastically concentrated and delicious. The blackcurrent and cured olive flavors are so sweet and deep, the tannins so rich and smooth, the mouthfeel so creamy and mellow, it's almost like sipping melted chocolate infused with creme de cassis. A stunning success for the vintage. *November 15, 2003*
