

FROG'S LEAP

2009 MERLOT
Rutherford

Opening with aromas of plum, dark cherries, cocoa and spice, this wine fills the void where Pinot Noir is too simple and Cabernet Sauvignon too intense. Rich and plush but with the definite bite of bright acidity. This is a great bottle to reach for when roasting chicken, or braising veal shank.

With a deep garnet color, this wine offers aromas of red currant, damp earth and a touch of cedar. Across the palate the wine's soft and plush texture is full of fruit flavors — plum and black cherry lead to a lingering finish that hints of toasted almonds.

**2008 FROG'S LEAP
MERLOT RUTHERFORD**

EXCEPTIONAL

"A delicate aroma of tea, trace amounts of dried herbs and cherry are a throwback to the 70s; the wine's startling balance makes it all work with food. This isn't your typical fat, corpulent red wine. It has shockingly balanced numbers: 12.9% alcohol, pH of 3.56, and simply can't be compared to any Napa Valley red wine I've tasted in years. Great stuff".
